July 9 at 4:44 PM  Bisous Bisous has the very best macaroons and croissants I've ever tasted. Every macaroon I've seen from there is complete perfection in looks, flavor and texture! This a definite stop if you are ever in Dallas. Living in Minnesota and I've yet to find macaroons of this level. Tasty decadence. The owners are incredible as well! If I could only convince them expand their business to Rochester!   Unique desserts · Tasty cupcakes · Good for breakfast
